## Priest's Message

Family of Christ at St Margaret's, greetings!

We have shared a splendid January of bright skies and even budding of growth for spring. God's surprises for February are in store for us and with more freedom from Omicron and Covid, we can start growing our plans for our own lives once again!

Throughout this teaching season in the life of Jesus, we are assured of God's plan germinating and flowering in Jesus' and the disciples' lives, a growing following, yet a rather sinister undertone of resistance from the "establishment". We too are discovering new devotional habits, trying new initiatives and at church, a 'new' vestry forms our growth and development.

Let us be ready for this God of Surprises (a book of the same title, by Gerard Hughes, is excellent recommended reading) fill us with love too!

Jesus is love. Blessings in who you are and in who you are to others.

Revd Kathy Barrable.
