Priest's Message

Dear friends in Christ

A busy month invites us to October and the beauty of autumn, after the extended summer we have so relished!

We look back with fond memories of our first St Francis Day and the blessing of our faithful friends, our pets, in the freshly landscaped church garden, our part played in the Tayport climate festival.

We bid farewell to the Season of Creation, which has been top of our minds and awareness. It is time to do what God requires of us as custodians of this fragile earth's ongoing harvest, to celebrate nature's richness and diversity.

This month we continue with Christ's teaching on the way of the suffering servant model of Christian life, the 'other-worldly way' of loving one another in all we see and do and pray for.

At the month's end, we remember those who have passed on, in All Souls and All Saints Days, and the laying of wreaths to commemorate those fallen in Tayport, together with other churches.

God bless you all, those who have made this world we know safe and rooted in proud tradition and to those who will invest in the future with awareness of tomorrow's needs based on today's decisions and our behaviour towards one another!

Rev Kathy Barrable

*May the souls of the faithful departed rest in peace and rise in glory!
May they guide us in what is right and true!*
