Priest's Message

Beautiful, bright and fresh! Just like the Christian message, which is one of abundant joy and a celebration of life! It becomes especially real to us when we realise how fragile and precious life is!

These diverse colourful flowers are like each of you and since they arrived I have been making associations with you and giving God thanks for who you are and what you are in our church, St Margaret's.

It is the season of creation, this September and we gaze at creation as it manifests in our own gardens, in the neighbourhood, in the fields of baled hay along the Tay. Let us be ever mindful that it is a gift not an entitlement. Our very own lives, drawing on the sustenance of nature, is a moment by moment gift!

I specially address those of you who are not well, or who are minding one who is ailing. Invite Jesus to walk alongside you to help you carry that burden and allow him to refresh and restore you! Most importantly, share your worries and frailty with him - he understands and will heal you!

His message is Faith, Hope and Love: may you turn to each of these with joy this September.

God Bless in all you do. Revd Kathy Barrable.
