## **Priest's Message**

Easter Message.

Alleluia! Christ has risen!

Amidst the glorious riot of growth, colour, sound and activity in spring time, we touch the heart of God by rejoicing together and spreading the GOOD NEWS that Christ re-energises the world with his love. Let us be of good cheer and of faithful resolve to seek God's abundance and goodness. Let's speak to those we have let slip in friendship and family, in the wonder of 2022!

Thank you to each of you for your ministry to the world, whether in micro or macrocosm! We certainly are a vibrant community and knitted into our village in its unique focus groups.

We all look on helplessly as global, societal and war issues and particularly suffering in the Ukraine, strangle Kingdom values but prayer and open arms do impact on even a global scale. More, not less prayer please!

My Christian wish is that this present exhilaration of Eastertide allows us also to learn about how to live out God's will as people of the resurrection, showing love and tolerance, healing prayerfulness and compassion to each and all we meet.

Let us, like the birds and bees of the field, collect for and build, sacred spaces that hold our family together!

In Jesus' name. Revd Kathy Barrable.
