Notes from St Margaret's

Our Season of Creation, an annual ecumenical event celebrated in many countries, concludes on Sunday 4th October. Appropriately, this date is also the Feast Day of St Francis of Assisi, a great champion for all of creation and 2026 marks the 800th anniversary of his death.

The last Sunday in the month, 25th October, is the date on which our clocks are turned back to Greenwich Mean Time and a return to winter rather than summer time - hopefully not too depressing a thought!

There are many special church festivals during the winter months and we look forward to celebrating those with our friends.

Christine, Vestry Secretary
